

Saugatuck Township

Fire District #1

Brief:

A growing township needed to update its fire station and allow for future growth.

Strategy:

A pre-engineered building was chosen to keep costs down. The facility has eight 40' parking bays and drive through capabilities. The building houses the fire station offices, a radio room, and a mezzanine for storage.

Project Information:

Building Size:	7,250SF
Site Size:	10 Acres
Completion Date:	1990
Project Cost:	\$250,000
Reference:	Bill Decker, General Contractor
