

H&H Metal Source

Brief:

A growing Steel Stamping and Steel Slitting company needed to update and expand their offices and provide additional manufacturing capacity.

Strategy:

A two story office addition doubled their current office area giving them a modern corporate appearance and increasing their efficiency. A 12,000 addition with 30 ton crane capacity allowed room for a new four coil slitter.

Project Information:

Building Size: 53,000 SF
Site Size: 1.75 AC
Completion Date: 2005
Project Cost: N/A
